14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide

information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from B3-2 Community Shopping District to B3-5 Community Shopping District, and then to this Residential Business Planned Development ("PD") No. ____ is an "entitlement" that triggers the requirements of Section 2-44-085 of the Municipal Code of Chicago (the "ARO"). The Applicant has applied for Tax Increment Financing or other forms of financial assistance from the City. Such financial assistance imposes affordability requirements (the "Financing Requirements") that exceed the ARO requirements. As a result, if the Applicant receives such financial assistance, the Financial Requirements shall govern the Applicant's obligation to provide affordable housing in the PD. If the Applicant does not receive such financial assistance, the Applicant shall comply with the ARO.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to B3-5 Community Shopping District.

1614-1638 N. Pulaski – Team Pioneros Project Narrative

This Project is located in the Heart of Humboldt Park on Pulaski Road, just north of North Avenue. The address of the site is 1614-1638 N. Pulaski Road (“Property”). The developer, Team Pioneros, LLC, is the partnership Park Road Development LLC and JGMA Architects. Team Pioneros is 100% Latino owned.

The Team was selected by the City to re-develop the Landmark Pioneer Bank Building and subject Property as part of the City’s Invest South/west initiative. The Pioneer Bank Building is not part of the Plan Development.

The Subject Property is eight (8) vacant lots located on the west side of Pulaski Road and the east 108 feet of the east-west alley that is immediately south of the eight lots. The Property is approximately 34,228 square feet including the alley to be vacated. The site is currently zoned B3-2.

The Subject Property will be redeveloped as a mixed-use building containing 79 dwelling units, a Chicago Public Library and a small Humboldt Park Health Center. The building will be approximately 108 feet in height. The second floor of the building will contain a minimum of 59 parking spaces to service the building.

All of the 79 dwelling units will be affordable, 47 of the 79 units will be for individuals earning 60% or less of the average median income and 32 units will be targeted for individuals earning 30% of the AMI.

The plan includes an outdoor open market at grade level to be located at the south end of the site and on the vacated alley.

This is a mandatory plan development for two reasons. First, it will exceed 40 units, and second, because of height. The building will be over 100 feet in height.
